**Source:** <http://dx.doi.org/10.1093/aje/kwm150>

### Resource Description

**Exposure :** ☒

weather or climate related pathway by which climate change affects health

Temperature

**Temperature:** Fluctuations

**Geographic Feature:** ☒

resource focuses on specific type of geography

None or Unspecified

**Geographic Location:** ☒

resource focuses on specific location

Global or Unspecified

**Health Impact:** ☒

specification of health effect or disease related to climate change exposure

Injury, Mental Health/Stress, Other Health Impact

**Mental Health Effect/Stress:** Other Mental Disorder

**Other Health Impact:** Suicide

**Resource Type:** ☒

format or standard characteristic of resource

Policy/Opinion

**Timescale:** ☒

time period studied

Time Scale Unspecified
